# PART I - SECTION B
SUPPLIES/SERVICES & PRICE/COST

## B.1 GENERAL
This is a Firm Fixed Price Indefinite Delivery Indefinite Quantity contract with one Time and Material line item. The parties agree to the unit prices provided below for the base period and all four, one year option periods. The contract consists of a one year base period, and four (4) additional option periods. All orders for services under this contract and detailed in the below Scope of Work shall be purchased by Task Order (TO).

## B.2 PRICES
Prices are established for each FAA facility as shown below. Contract Line Item Numbers (CLIN) are structured with four characters, "ABCD" and defined as follows:

A = Year of Contract (0=Base, 1=Option Period 1, 2=Option Period 2, etc.)
BCD = FAA Facility (001=A80 TRACON, 002=A90 TRACON, etc.)
E = Service Type (1=Basic Service, 2=Temporary Additional Services, etc.)

NOTE: The price for each item is set forth below. Items will only be purchased as authorized by a task order in accordance with the Ordering clause (3.2.4-16).

### B.2.1 SITE SPECIFIC CLINS

CLINs XXXX1 (CLIN Range 00011 – 30851) FFP Basic Service:
Basic services are the permanent ongoing services specifically included, by location, in the task order(s) at time of issuance or added through modification up to any established quantity maximums identified in the contract. These services will be provided in accordance with Section C. The Government shall order these services using the Basic Services prices specified herein.

CLINs XXXX2 (CLIN Range 00012 – 30852) FFP Temporary Additional Service (TAS)
During the term of the contract, the Government may have requirements for temporary additional services (TAS) beyond the basic services requirements. These services will be provided in accordance with Section C. TAS are short term, non-recurring needs for service. Examples where TAS may be ordered include, but are not limited to, the following: addition of posts to provide for increased security for special events or high profile visitors to the building, or extension of existing post hours in a building to cover seasonal fluctuations. TAS services will be ordered on a Firm Fixed Price basis as follows: The service request will be initiated by the FAA Contracting Officers Technical Representative (COTR) and sent to the contractor. The contractor will then send to the FAA COTR a fixed price quote for the TAS. The FAA Contracting Officer will then issue a Task Order (TO) for the TAS. The contractor will not be authorized to perform work until a signed TO is received from the FAA Contracting Officer.

CLINs XXXX3 (CLIN Range 00013 – 30853) T&M Labor Hour Emergency Security Service (ESS)
During the term of the contract, the Government may have requirements for emergency security services (ESS) beyond the Basic and/or TAS requirements. These services will be provided in accordance with Section C. Per paragraph C.5.2 Recall System, the Contractor must provide an employee recall system with the capability of contacting and recalling off duty personnel up to 3 per shift. Personnel must be on-site within 2 hours of the Contractor's receipt of the COTR recall authorization. ESS are generally short term requirements in support of any unanticipated events such as natural disasters, civil disturbances, etc. ESS may require small or large scale PSO deployments, (in excess of the basic and TAS reserve guard force capacity) to support an emergency. The Contractor shall furnish fully qualified PSOs, management, supervision, equipment, supplies and any other cost for sustained emergency surge security force services. The requirements under the ESS Contract Line Item

Numbers (CLINs) shall be ordered for anywhere in the geographic area covered under this contract with little, if any, advance notice. The hourly rate for emergency PSO services shall be inclusive of General and Administrative and Overhead expenses and Profit, as well as all other costs (including, but not limited to, travel costs, per diem, lodging, mileage, and vehicles) directly related to or incidental to providing service at locations the Government will specify when ordered. There will be no "phase-in" period for these requirements. The contractor shall have sufficient, fully qualified staff to meet all requirements ordered under the ESS CLIN at any time. (NOTE: It is possible that the government may order all estimated hours in a single emergency event. The contractor may use reserve forces to fulfill ESS requirements, however, the use of reserve forces to meet ESS requirements will not relieve the contractor of the requirement to maintain a sufficient reserve force to provide all services under the contract to include ongoing Basic Services and TAS requirements. Table B.3 Price Limits that follows provides Not-to-Exceed Price Dollar Limits for ESS by Service Area for the contract inclusive of all option periods.) The requirements ordered under the ESS CLIN(s) will be for no more than 120 days of service per ESS task order authorized at a given facility. Thereafter, provided the Government notifies the Contractor within 30 days before the expiration of the ESS task order, any continuing long-term requirements for those same post/locations shall be incorporated through modifications to the Task Order initiating Basic Services for that facility.

CLINs XXXX4 (CLIN Range 00014 – 30854) FFP Contractor Acquired Government Property (CAGP) Record Cabinet
Following receipt of written order, Contractor shall purchase and maintain as Contractor Acquired Government Property (CAGP) the following brand name or equivalent two drawer file cabinet for the purpose of housing individual security officer records at each facility in accordance with the Statement of Work (SOW) C.3. Pricing shall not exceed $55 per item. An example of suitable record cabinet is listed below. The FAA does not require that the cabinet be purchased from the listed vendor.

OFFICE DEPOT Managers 2-Drawer Letter File, Black.
Item # 255501
**Mfr Part No.:** HID16181
**NSN:** 7520-01-424-4872
**Contractor Part No.:** 255501

### B.2.2 PROGRAM MANAGEMENT CLINS

**CLIN**s 00005 and 00006

CLIN 00005 shall be for submittal of the Management Plan (Not Separately Priced)
As per Section C.17.1

CLIN 00006 shall be for submittal of the Transition Plan (Not Separately Priced)
As per Section C.17.2
